The RV must be returned without damage and the inside must be clean prior to check out (dishes washed, dried, and put away, trash removed, floors swept, and counter tops wiped). Failure to return without damage and/or in an unclean state will result in additional charges that may be deducted from the Security Deposit and, if necessary, additional charges may be made to your credit card.

There will be a minimum charge of \$50.00 for any evidence of TAR in the trailer. If there is evidence of TAR residue on (floor, tub/shower, upholstery, bed, walls, etc.) The customer is responsible for any permanent damage caused by the TAR, and the charge for repair or replacement is at the sole discretion of Waxhaw RV Rental.

FUEL POLICY

For motorhomes, the fuel tank must be full when returned to us. If it is not, you will be charged the amount it costs us to fill the tank, plus \$50. The tanks hold about 55 gallons.

NO SMOKING POLICY

There is No Smoking in any of the RV rentals. If the RV is returned with any kind of smoking odor or other evidence of smoking, it will result in the forfeiture of the security deposit plus any additional charges incurred in cleaning and/or repair.

PET POLICY

We prefer No Pets in RV. You must notify us if you plan on bringing a pet. If we do approve your pet, the pet is not allowed on the beds. Additionally the pet must not be left alone inside the RV for any reason, for the safety of the pet and the RV. Any damage cause from the pet will be deducted from the security deposit.

Evidence of a pet without prior approval will result in an additional \$200 fee being added.

NO RE-SUPPLY POLICY

The RV comes equipped with approximately forty gallons of fresh water, thirty gallons of gray and black water holding tank capacity, thirty pounds of propane, and one full charged 12 volt battery. If you are camped in a non-hookup site, it is your responsibility to ensure that these resources last your entire rental period. We will not provide customers with additional water, holding tank capacity, propane, or batteries during their rental period.

GENERATOR POLICY

Some RV's come equipped with a gasoline powered generator. Extended use of the generator will result in an additional fee as specified on the rental contract. The generator supplies 110 volt power to the outlets in the RV. The generator also supplies power to the RV's microwave, water heater and roof air conditioner. The generator can be used to recharge the RV's batteries. For motorhomes the generator uses the same fuel tank as the engine. You are responsible for supplying the fuel.

EQUIPMENT MALFUNCTION POLICY

The A/C, coffee maker, generator, awning, radio, DVD player, microwave, television, jacks, etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you. For assistance, you are advised to consult the informational material in the RV or contact Waxhaw RV Rental.

RV DAMAGE POLICY

If the RV and/or the contents in the RV at the time of the delivery orientation are damaged during your rental period, you are responsible to pay all damage costs whether you were at fault or not or if damage was caused by acts of nature (wind, rain, earthquake, fire, flood, etc). The trailer awnings do not like wind. It is your responsibility to retract the awning even in the mildest windy conditions. If an accident occurs, you are responsible for obtaining a police report, contacting the other party's insurance company, and contacting us immediately. At drop-off, Waxhaw RV Rental will estimate the damage, if any, and expedite the cleaning and/or repair.

NO REFUND POLICY

No refunds will be given for any reason, including, but not limited to, bad weather, no shows, personal emergencies, late arrivals, or early departures. This includes if you have an accident or crash in the unit; however, if the crash is not your fault you may be able to recover your rental costs from the at-fault driver's liability insurance. Insurance MUST be carried and in force for the duration of the rental, failure to adhere to this rule will result in termination of the contract and you will be subject to recovery and legal fees that may be incurred.

DRUG POLICY

Any evidence of the storage, transportation, or use of illegal substances will forfeit your entire security deposit. RVs returned with any evidence of drug use or transportation will result in law enforcement being called for a report and to collect the evidence.

TRAVEL RESTRICTION POLICY

No travel allowed on any non-paved roadways like logging roads, forest service roads, beaches, etc. Only exception to this is a non-paved road inside a licensed RV Park. No travel outside the US.

GPS TRACKING POLICY

This rental vehicle may be equipped with GPS tracking which is used to accurately track mileage. DO NOT TAMPER WITH IT, to do so could result in forfeiture of security deposit. Please follow posted speed limits and state laws. Violations may result in additional charges to your security deposit.

TOLL ROAD AND TRAFFIC VIOLATION POLICY

Parking Tickets, Mailed Violations, and Toll invoices are a major burden and we charge a \$75 fee for each invoice we get. Responsibility for traffic or parking violations will be transferred to you and you will be charged a \$75 administration fee. If you want to use Toll Roads, you are free to pay at the plazas or bring your own toll tags, just make sure no invoices or toll by plate, etc mail comes our way or the \$75 administration fee will apply! Note: Most toll agencies are good to work with and will help you out if a mistake and call them right away.

The motorhomes have an "EZ-Pass" which is accepted on many toll roads in the eastern US. EZ-Pass tolls will be deducted from your security deposit when you return and are NOT subject to the \$75 fee. See <https://e-zpassiag.com/> for more information on where it is accepted.

FUEL POLICY

Motorhomes are required to be returned with full fuel tanks. The gas tank will be full when you pick up the RV. The coach must be returned with the same amount of fuel that was in the tank when you picked it up. If the gas is not at the same level it will delay your security deposit being returned because we will take care of it and subtract the cost of fuel needed to get it to that level plus a service charge of \$50. DO NOT USE E-85 or E-15 (engine damage will occur & you will be broken down; Additional charges will apply)

PROPANE POLICY

Propane is considered a normal cost on the renters use. You will be provided with a full or near full tank, we request that you return it in the same condition.
