

Beach House on Wheels Host Rules:

1. No dry camping for more than 2 days. You must have hookups past this point to recharge and empty tanks.
2. Up to two dogs are allowed but must be housebroken and should not be left alone in RV unless crated. A fee will be deducted from deposit for any pet damages.
3. No Towing. The hitch is used for a bike rack and may not be removed.
4. No smoking of any kind. If cooking fish or any strong smelling dish, prepare and cook outside.
5. Awning must be pulled in during heavy rain and wind.
6. Watch for freezing temps. RV anti-freeze may be needed in tanks if temps are expected below 30 degrees. Keep tanks empty or full to avoid busted pipes. A small amount of water in the line or tank will freeze fast and pipes will burst.
6. Only the registered driver may drive the RV.
7. Check in and check out time must be pre-arranged with Julianne. The RV may be returned no later than 6pm on the day it is due back. A \$100 late fee will be charged if returned after or abandoned.

7. Go to link below for Beach House on Wheels Manual. All steps for before driving must be followed to avoid damage fees.
